

Study Case - Elmore Court wedding 2019

Elmore Court wedding

On the 19th of March CORE products were used to create an illuminating ambience for a wedding using CORE Lighting ColourPoints, ColourPoints Mini and Table Lamps. They created a colourful experience for the bride and guests. Our CORE Lighting ColourPoints and ColourPoints Mini, surrounding Elmore Court, created this experience by using the magenta setting. The table lamps were placed on the floor to create an impressive path from the Elmore Court towards the wedding party itself.
