

National Theatre

As we recently improved our CORE Lighting Table Lamps we were curious to see what they were capable of inside furniture outdoors. Because of this, we exhibited various Table Lamps at the National Theatre. The result was magnificent. Our Table Lamps were able to create a notable appearance for everyone that walked near the National Theatre. The Table Lamps were noticeable because of various colours and domes on top of the Table Lamps.

Meet us

Any venue, any occasion

We have been manufacturing, designing and innovating CORE Lighting products for over 10 years now. All of our products are fully weatherproof and battery powered. Our wide range of products are all quick and easy to setup and offer a vast amount of LED Lighting for any venue and any occasion.

Whether you are looking to add ambience to a momentous event or light up a stately home, CORE Lighting has the right wireless LED battery powered spotlight, floodlight or uplighter for you.

Previous projects where CORE Lighting was used.
