## Lighting during the Walpole British Luxury Awards 2019

'Core Lighting went above and beyond to get uplighters to our event at the Dorchester with Walpole British Luxury. We managed to 'Zandrafy' the Silver Room for the after party by using their Colourpoint Battery LED Uplighters - choosing a pink colour to light up the room. Delivery was fast and priority and pick up was easy. We would love to partner with Core Lighting again for our AW20 fashion show or presentation.' - *Kelly Robinson, Head of Communications*
